

# Draw, trace and color.

Students draw their own facial features and hair on the blank face. Then they trace the lines and color the pictures to match their own school supplies.

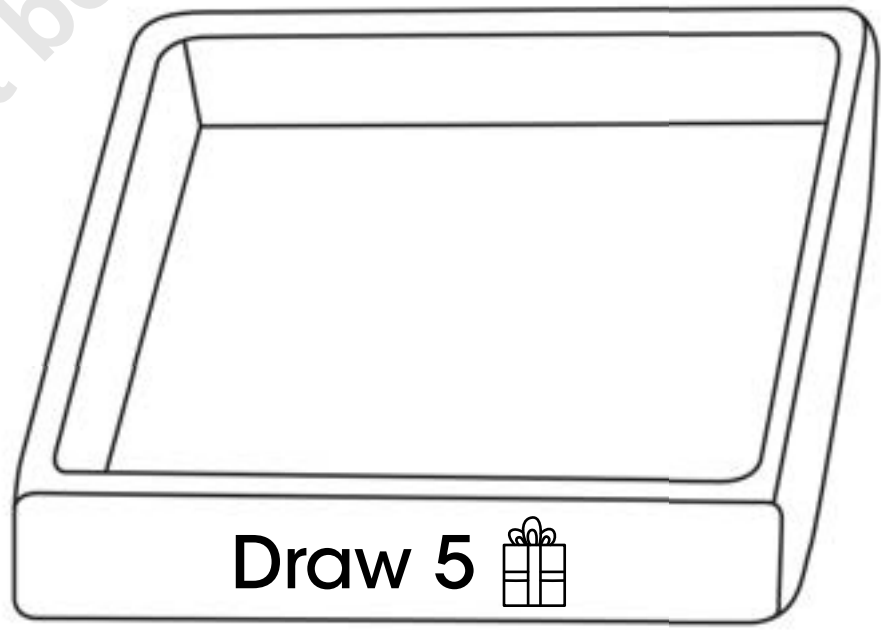

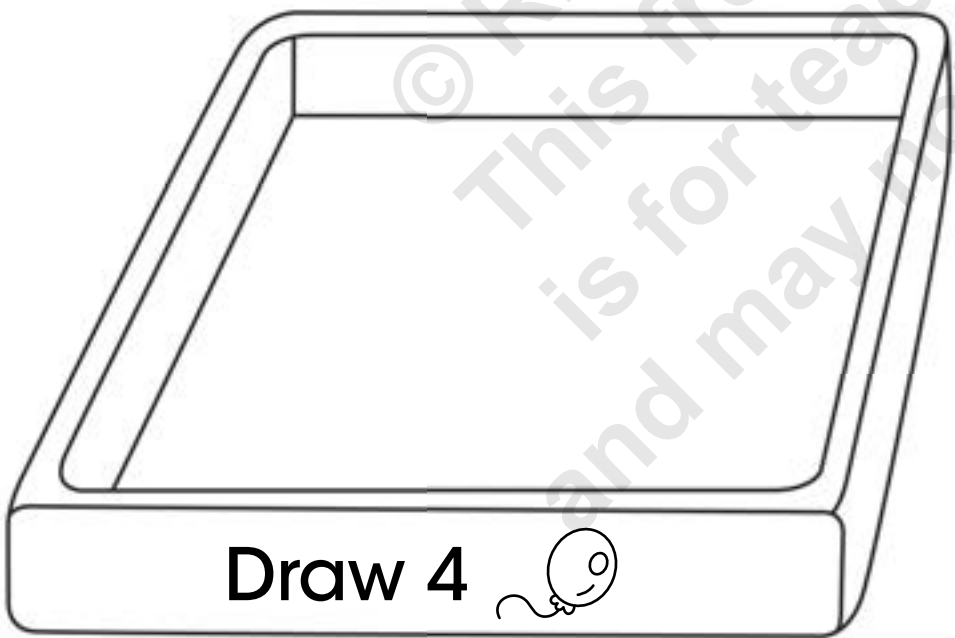

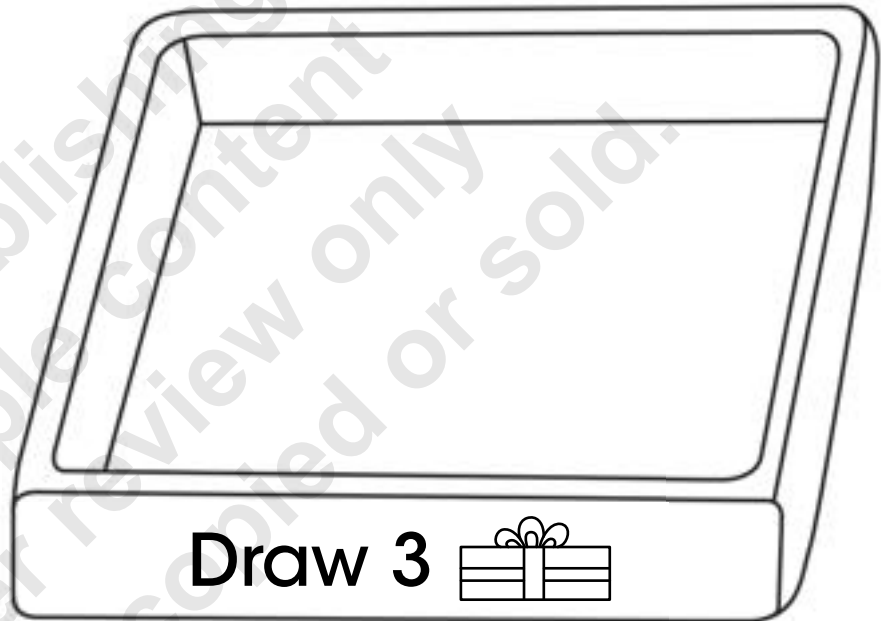

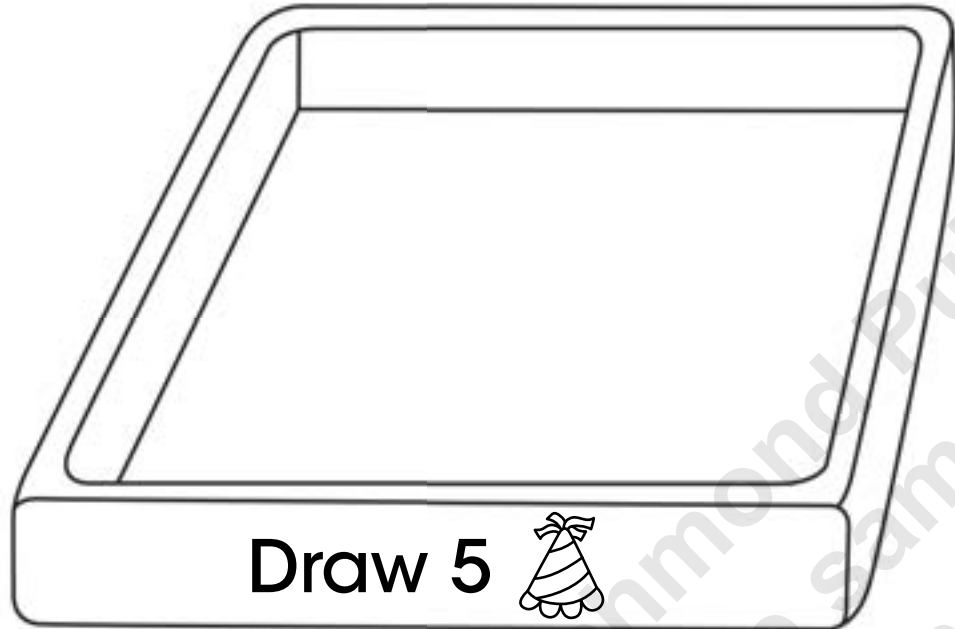

# Trace, match and color.

Students trace the circles. Next, they draw a line from each activity to the happy or sad face to show whether they like or don't like the activity. Finally, they color the pictures.

**Look and draw.**

Students identify the numbers and draw the corresponding number of party objects in each box. Then they color the pictures.

# Trace and color.

Students point to the school supplies in each picture and trace the dotted lines. Then they describe the location of the objects and color the pictures.
