When they arrive, Alex wants to go swimming, but Mary wants to go sailing. "Let's go sailing first," Mary says. "OK," says her uncle. They go out in the boat. "This is more fun than swimming," Mary says.

On the way back, Mary wants to sail the boat. "I'm good at canoeing," she tells her uncle. "OK. You have to pull this rope," he says. Then the wind starts to blow. Mary pulls the wrong rope, the boat turns and they all fall into the water. "Oh, no!" Alex shouts. Luckily, they are wearing life jackets.

"Sailing is more complicated than canoeing!" Mary says. "And more dangerous, too!"
